The number of vacancies allotted to different Branches is subject to alteration and candidates should show in the application form the order of their preference for all three Branches—Executive, Engineering and Supply and Secretariat—if they wish to compete for more than one Branch.

3. Candidates who qualify at the written examination will be required to appear before a Services Selection Board, which will make recommendations to the Government of India for the final selection of cadets for appointment to the vacancies offered at the examination.

4. Candidates for admission to the Royal Indian Navy examination must have been born not earlier than the 2nd May 1928 and not later than the 1st May 1930. The age limits can in no case be relaxed.

5. Particulars relating to educational qualifications and subjects prescribed for the examination are stated in the rules prescribed for the examination, and published in the Defence Department Resolution No. 1842, dated the 12th July 1947.

6. A candidate who desires to appear at the examination is required to submit his application in the prescribed form with the necessary documents in accordance with the "Instructions to Candidates regarding the filling up and submission of applications". Applications must reach the Federal Public Service Commission direct on or before the 23rd August 1947. Copies of the Rules and the Application form, etc., may be obtained direct from the Secretary, Federal Public Service Commission, Simla.

The fact that an application form has been supplied on a particular date will not be accepted as an excuse for the late submission of an application. Candidates who delay their requests for forms until a late date will do so at their own risk.

7. Candidates who are already in Government service may compete at the examination, provided that they fulfil all the conditions mentioned in the Rules. Applications from candidates in Government service, whether employed in a permanent or temporary capacity, must be submitted through the Head of the Department or office concerned.

NOTE 1.—If any candidate who has applied for a admission to the examination held in June 1947, for entry to

the Royal Indian Navy, wishes to appear at the examination to be held in October 1947, he must submit his application by the prescribed date without waiting for the results of the former examination. If he is successful, his candidature for the October examination will be cancelled.

NOTE 2.—The approximate cost of training for the Royal Indian Navy is £116.

NOTE 3.—The Governments of Madras and Bombay have instituted a scholarship of the value of £116 to be awarded annually to the Madras/Bombay candidate standing highest in the examination and selected as cadet for the Royal Indian Navy.

Detailed rules for the grant of the scholarship by Madras Govt., are published in that Govt. Order No. G.O.Ms., No. 2218, dated 21st September 1945. Rules for the grant of Bombay Govt. scholarship are contained in their Resolution No. 6975-E., dated 23rd May 1947.

NOTE 4.—Likewise, a scholarship of the value of £116 will be awarded annually to the first successful candidate, from Coorg who may be selected. (Details of this are awaited from the Coorg Administration.)

RESOLUTION

(Navy Branch)

New Delhi, the 12th July 1947

No. 1842.—The Governor General in Council hereby makes the following rules for the selection of cadets for the commissioned ranks (permanent cadre) of the Royal Indian Navy. Candidates will have to appear at an examination, which will be held by the Federal Public Service Commission on the 13th October 1947 and subsequent days. Those who qualify at the written examination will be required to appear before a Services Selection Board which will make recommendations for the final selection of cadets.

RULES

1. (i) A candidate for selection shall apply to be admitted to the examination before such date and in such form as the Federal Public Service Commission may prescribe. The application shall be made direct in the Federal Public Service Commission, Simla.

(ii) A candidate who is in permanent or temporary Government service shall apply to the Commission for admission to the examination through the Head of his Department, who shall forward his application to the Commission unless he refuses his consent to the application.

(iii) Cadets of the Prince of Wales' Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(iv) No candidate shall make more than one application in respect of this examination.

2. A candidate must be an unmarried man and either—
 (a) a British subject of Indian domicile or descent, or
 (b) a Ruler or a subject of an Indian State or a British protected person of the tribal areas.

3. A candidate must furnish a declaration from his father or guardian, in the form prescribed that the latter is in a position, and will be prepared to discharge the financial obligations attaching to the candidate's training for appointment to the Royal Indian Navy. Should it be found that the declaration in regard to discharge of financial obligations during the period of training is false in any respect, the candidate will be liable to immediate removal.

NOTE.—The Parents' share of cost of training amounts to £116. This is meant to meet the private expenditure of cadets on vacation expenses of £80 (@ £20 per annum) plus private allowance for first year only of £36, together totalling £116. The whole amount need not be deposited in advance but parents/guardians are to make satisfactory arrangements for this payment to be made. It may further be noted that £116 is not a firm figure but an approximation of the expenditure likely to be incurred on the two items mentioned.

4. The maximum number of candidates to be admitted to the examination may in the discretion of the Governor General in Council, be limited to such number as the Governor General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Royal Indian Navy.

5. A candidate must have passed—

(a) the Matriculation Examination of a recognised Indian University; or

(b) an examination accepted by any such University as equivalent to a Matriculation Examination for the purpose of admission to a University course; or

(c) the Cambridge School Certificate Examination; or

(d) any other examination which may be recognised by the Federal Public Service Commission as equivalent to the above.

or must possess one of the following certificates:—

(e) the Indian Army Special Certificate of Education, or

7. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a commissioned officer in the Royal Indian Navy. Only successful candidates will be medically examined. A candidate, who, after examination by a Medical Board, is found not to satisfy these requirements, will not be accepted for admission to the Service.

NOTE.—Candidates are recommended to consult a Government medical officer of the standing of a Civil Surgeon as to their physical suitability before entering for the examination.

8. A candidate must satisfy the Federal Public Service Commission that he is suitable in all respects for employment as a commissioned officer in the Royal Indian Navy.

9. The decision of the Federal Public Service Commission as to the eligibility or otherwise of a candidate shall be final.

10. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

11. Any attempt on the part of a candidate to enlist support for his application will disqualify him for admission to the Royal Indian Navy.
